

# Packing List for Camp

## GEAR NEEDED:

Medications (Inhaler, bee sting kit, Epi-Pen) (see medication instruction)

Sleeping bag or equivalent and pillow

Put the book in a large Ziploc and include paper and pen with it.

Scout uniform - Class A with scarf and hat but no sash and no slides (the lost thing again) Leave embellishments at home (awards, medals, service stars)

Bathing suit- maybe more than 1, this is worn a lot

Underwear - Don't need a pair for each day, bathing suit is worn a lot!

Socks - Tough to hike in wet socks, send enough to change a few times

Sneakers - NO sandals or open toe shoes. Water shoes okay for waterfront.

Hiking boots

Shirts and shorts

Sweater or sweatshirt

Windbreaker or jacket

Raincoat or poncho - more than 1 if possible (garbage bags can count)

Towel - for swimming and that once a week cleanup before parents show up

Toilet articles - toothbrush & paste, comb, mirror, soap, shampoo and deodorant (they're gonna smell), tissues might be good

Flashlight with extra batteries

Insect Repellent and Sunscreen

Back pack or pack frame - especially if first year scout in Pioneer program or planning on taking Camping or Wilderness Survival MB's

Money for purchases at Trading Post- Not too much though.....for gummy worms, frozen drinks, gummy worms, frozen drinks and, oh yes, gummy worms.
