

RED AND BLACK UPDATE

Here are a few items that have come up since the last Red and Black. As always, please check the website for the most up to date information. Thanks!

Elks Installation Dinner, and pancake breakfast:

We have a few events coming up that we will need volunteers for:

The Installation Dinner on Saturday, 3/23.

Our next pancake breakfast will be held Sunday, April 14th.

For each of these, we will need scout volunteers to help set up, serve, bus tables, and clean up. We also will need adult volunteers to help out in the kitchen and cook. Each also needs a scout and an adult volunteer to coordinate. For the scouts, this is a great way to gain leadership experience that is needed for rank advancement. More information will be coming on these events.

Summer Camp:

Troop 246 will be attending summer camp at Camp Wakpominee 7/21 - 7/27.

Like last year, council is offering last year's prices to those scouts who turn in a \$50 deposit by 3/11. All scouts who turn in their deposit will lock in at \$325. The price for 2013 is \$350 if a deposit is not received by 3/11. Checks should be made payable to Troop 246 and turned into either Mrs. Zeggert or Ms. Whimple.

There are a limited number of Camperships for scouts who may not be able to afford the cost of summer camp. Applications can be found at <http://www.trcscouting.org/files/d/usr/14/Camping%20Info/2013%20Campership%20Application.pdf>. Forms are due to council by April 1st.

Fundraising:

Please see Mrs. Zeggert if you are interested in selling camp cards or candy bars to help offset the cost of camp or the Washington D.C. trip.
